## MARVEL MASTERWORKS: WARLOCK VOL. 2 HC

**Written by JIM STARLIN with BILL MANTLO**
**Penciled by JIM STARLIN with JOHN BYRNE**
**Cover by JIM STARLIN**

The MARVEL MASTERWORKS line is proud to present one of comics' most mind-blowingly cosmic sagas. At '70s Marvel there was no who quite mastered the startling scope and high-concept complexity of truly cosmic adventure like writer/artist and overall Renaissance man, Jim Starlin. His first effort with Captain Marvel redefined a character. His second with Adam Warlock set the tone for star-spanning spectacle that is considered a high-water mark to this day. Taking the legacy laid out by Lee, Kirby, Thomas and Kane, Jim Starlin evolved Warlock to the next level, imbuing the character with the furies and inner demons of a man-god on the brink of insanity. Forced to confront the Magus, an evil version of himself, and the nihilistic menace, Thanos, Warlock's conflicts weren't just knuckle-grinding throw-downs, they were epic, existential struggles for the very soul. Culminating in the first-ever assembling of the Infinity Gems, and featuring the first appearances of such cosmic Marvel mainstays as Gamorra and Pip the Troll—not to mention an all-out struggle to save the universe joined by the Avengers, Captain Marvel and Spider-Man—this MASTERWORKs edition is definitive Marvel. So reserve that copy today, True Believer! Collecting STRANGE TALES #178-181, WARLOCK #9-15, MARVEL TEAM-UP #55, AVENGERS ANNUAL #7 and MARVEL TWO-IN-ONE ANNUAL #2.

## PUNISHER MAX VOL. 5 HC

**Written by GARTH ENNIS**
**Penciled by HOWARD CHAYKIN & GORLAN PARLOV**
**Cover by TIM BRADSTREET**

Barracuda's back. The most dangerous foe the Punisher has ever faced has found a chink in his enemy's armor, one even Frank Castle himself doesn't know about. Heart full of blackest hate and loving every minute of it, he's out to crush the vigilante to pulp – and take his time over killing what remains. But Castle has a lifetime of slaughter behind him, and who knows how lethal he might yet become? Then, watch as Garth Ennis concludes his seminal run on Punisher in style. Thirty-five years ago, the Fifth Cavalry disgorged their troops on an isolated Vietnamese hilltop and was met by a scene of utter devastation. The final body count ran to well over seven-hundred — almost two-hundred of them American soldiers. Standing alone amidst the carnage, a sole survivor: Captain Frank Castle. Now, the Punisher is about to face his stiffest test. He's hunted big game in his day, but none as big as this. Five men with unlimited resources. Men who'd put anything between themselves and the Punisher's bullet. Men who know exactly who he is — and how to fight him. Collecting PUNISHER #50-60
